

My Little Bike, My Big Freedom

By. Yebin Cha (7)

My little bike,
two wheels so light,
makes me feel
shiny and bright.

I wish to see
many things
on my bike,
like birds with wings.

I ride up high,
I ride down low.
Where I will go,
I never know!

With my bike,
I feel so free.
I can ride
just like me.

Freedom is mine,
Freedom is me.
My little bike
helps me be free.

I can ride up,
I can ride down.
I can ride
all around town.

I love to be,
with my bike,
because it makes me
Oh, so very free!
